

Official Alien Imposter
RALPH MASK

INSTRUCTIONS:

1. Print out this RALPH alien imposter mask. You can't wear a digital file. We recommend a heavy paper so you can complete step 3.

2. Cut out RALPH alien imposter mask. Make sure you give yourself some eye holes or you will walk around banging into stuff, breaking counters and chairs (and the only person at Jetpack allowed to do that is Al).

3. Use a piece of string to turn your RALPH alien imposter cut-out into an actual RALPH alien imposter mask. Or maybe glue a stick to the back, so you can hold the mask up "Opera Style." We don't know. Be crafty. You can figure out how to turn this thing into a mask. We just know it.

4. Put on the RALPH alien imposter mask and feel the unbridled power of being an alien disguised as RALPH. Infiltrate his home and business. Pretend to lead his life. Crash a spaceship into the Savage Land. Lead RALPH'S friends and family to believe that you are the actual one and only RALPH.

5. Wear the RALPH alien imposter mask to FCBD 09 and get special stuff which we will determine when we see how good you look in the RALPH alien imposter mask.
